INDEPENDENCE.

CLASSY

# **IRRESISTIBLY TRENDY SINCE 1946 78 YEARS YOUNG AND CHARMING**

Since it first appeared in 1946, it has conquered the world with its disruptive and innovative charisma. Not just an agile and modern means of transport, it is a real attitude to life: independent, free-thinking, positive, sensitive to the environment, iconoclastic and a spokesperson for young people's vision of life and social change. Its fresh, informal elegance has allowed it to stand the test of time with undiminished appeal and ability to conquer different generations and cultures. With over 19 million sold, it is a lifestyle icon, a star of musical, social and media phenomena and irreverently dynamic.

A black and white photograph of a large industrial factory interior. The space is filled with rows of cars on assembly lines, with workers visible in the background. The factory has a high ceiling with a complex network of steel beams and hanging lights. The text "SINCE APRIL 23rd 1946" is overlaid in large, pink, sans-serif font on the right side of the image.

It answers the urge to travel and the passion for tourism, doing so in authentic Vespa style. This scooter combines the urban spirit of a big-bodied, comfortable, protective and high-tech vehicle with features designed for long journeys: quiet start, ABS-ASR system as standard for braking stability, full LED headlamps for increased active safety, easy handling and roomy under-seat compartment. Meticulous attention has gone into every detail of the Vespa Gts. The star of the show is the innovative single-cylinder 310 hpe, which transforms every journey into an adventure.

Its touring vocation is a perfect harmony between classicism and sporting daring, Vespa tradition and contemporaneity. The ergonomic design is central, augmented by the comfort of the large body that allows total control over the vehicle and comfort even over long distances. A racing-inspired top fairing, two-tone single-seat look saddle, and a host of sporty details define its style, along with full LED headlamps, and digital instrument cluster that enriches the riding experience with 2.0 functionality. Vespa Gtv features the innovative single-cylinder 310 hpe (High-Performance Engine).
